Re: Game Developer position at Zorbit's Math by Carnegie Learning

Dear Hiring Manager,

I am applying for the Game Developer position at Zorbit's Math by Carnegie Learning as advertised. With my strong background in object-oriented and data-oriented software development. I am confident that I can make a valuable contribution to your team

I am very passionate about creating educational games that engage and inspire young learners I believe that I have the skills and experience that you are looking for. I am confident that my ability to collaborate closely with team members, develop gameplay that meets design specifications, and write clean code that meets deliverables would make me an asset to your team.

Thank you for considering my application. I look forward to discussing my qualifications further. Please feel free to contact me at 4379255223 or through my email address [tafadzwa.marisa@georgebrown.ca](mailto:tafadzwa.marisa@georgebrown.ca)

Sincerely,

Tafadzwa Marisa
